

DAWN AND RAHEL

"Dawn?... What, what are you doing?"

OVER THE SHOULDER SHOT LOOKING AT DAWN'S REACTION.

DAWN

"Oh! Rachel, hi! Umm... I just thought it would be nice if I handed out balloons.."

(DAWN starts out happy, but through the sentence progresses to embarrassed and unconfident as she is taken off the happiness high, from the integration with her friend)

OVER THE SHOULDER SHOT LOOKING AT RACHEL.

RACHEL

"Balloons?"

MID SHOT OF BOTH GIRLS STANDING IN THE FRAME

DAWN

"Well i'm just trying to do a nice thing."

RACHEL

"A nice thing for others, or for yourself?"

MID SHOT OF DAWN, FRAMING HER SHOULDERS AND FACE. THERE IS SILENCE, DAWN LOOKS DOWN THINKING ABOUT WHAT RACHEL JUST SAID.

CLOSE-UP OF DAWN'S HAND, RACHEL'S HAND REACHES AND GENTLY GRABS IT

RACHEL

"Is this because of allie?..."

RACHEL

"I've been seeing you struggle with this, and I know you think you're helping yourself, but you can't expect to miraculously feel better by doing a good deed. You need to allow yourself to mourn. You can't force your way to happiness because shortcuts don't exist."
