

Music is still playing from previous scene.

Shots of group in a room surrounding a record player. They are goofing around and we are able to see glimpses of each persons personality. Ricky is enthusiastically telling tammy about music, holding up records and pointing to them. Dean is spinning around in a chair laughing at Rey who's throwing pieces of technology at him. Rey is sitting on the floor with a big box of wires and other cables etc.

CLOSE-UP OF THE RECORD PLAYER NEEDLE

The music cuts out, making a scratched record noise as the needle lifts off of the record.

SHOT OF RICKY'S FACE

(He looks as if he just realized something important)

RICKY

"Why isn't this music on the radio?"

SHOT OF REY'S FACE

(He is smiling in a sarcastic way, he uses his fingers to make the 'bunny ears' gesture as he says..)

DEAN

"Because, it's 'corrupting the youth'"

MID SHOT OF ALL OF THE TEENAGERS

They are all laughing at what Rey said.

RICKY

"No! Really.. Why hasn't anyone had the guts to just give 'em the bird and play it?"

CLOSE-UP OF TAMMY

TAMMY

"It's not that easy."

CLOSE-UP OF RICKY

RICKY

"Isn't it though?"

"Dean, your dad did it!"

SHOT OF THE WHOLE GROUP

They are looking at Dean for a reaction

DEAN

"That's his career, we're just
kids."

Dean, and the other teens giggle.

SHOT OF RICKY

Ricky is standing up getting enthused about what he is
talking about

RICKY

"We could do it! What if we started
our own station?!"
