

**INT. OFFICE - DAY**

Donny and Lorenzo are seen sitting in chairs.

**Lorenzo**

Nice going idiot. Now I've  
got detention every Saturday  
for two months.

**Donny**

Don't give me that, it's your  
own fault.

**Lorenzo**

What do you mean? You were  
the one who ratted me out to  
McCarthyright.

**Donny**

Only because you broke my  
bike.

**Lorenzo**

(Confused)

I didn't break any bike.

**Donny**

The one in the parking lot,  
it's completely broken and it  
was mine.

**Lorenzo**

That's great, but again, I  
didn't break your bike.

**Donny**

Get outta here! You brought  
it up in the lobby. You said

you gotta get home to see  
your brother's new bike.

**Lorenzo**

Ya! It's my brother's  
birthday and as a present  
he's getting a new bike.

(Pause)

Is that why you attacked me?

**Donny**

Well ya, I thought you were  
hinting to the fact that you  
broke my bike.

**Lorenzo**

Nope. Not me.

**Donny**

Oh! Damn, I'm sorry.

**Lorenzo**

Don't sweat it. Sorry I made  
the moves on your girlfriend.  
And sorry about the  
lollipops.

**Donny**

Sorry I ratted you out.

(Beat)

Wait! But who broke my bike?
