EXT. TOMPKINS HOUSE - BACKYARD - DAY

Ricardo on hands and knees pulls some weeds out from the ground.

LUCY (O.S.)
Ricardo!

Ricardo stops his work, turns with eyes widened as he sees Lucy dressed in short shorts and a tank top. She has a smile on his face and waves to him.

LUCY (CONT'D)
Lo siento por mi madre.

Ricardo pauses. He looks up to think for a moment.

RICARDO
¿Qué me decía tu madre?

LUCY
Mi madre quiere saber que pasó con
la....cómo se dice...tu sabes.

Lucy tries to mimic with her body language a sprinkler. She tries to make a sprinkler sound. Ricardo laughs.

RICARDO
¿Qué? Una araña?

LUCY
No! Eso no.

RICARDO
Lo siento. No hablo Japones.

Lucy playfully shoves Ricardo on the shoulder.

LUCY
Basta! Tu sabes. Es la cosa en la
tiera que tiene agua por el pasto.

RICARDO
Un aspersor.

He points to one of the sprinklers on the ground. Lucy's face lights up.

LUCY
Sí. ¿Cómo se dice?

RICARDO
As...per...sor.

Lucy repeats the word slowly followed by silence as she ponders for a moment. Suddenly her face lightens up with a smile.

LUCY
¿Tienes un minuto? Quiero mostrarte algo.

Lucy walks towards patio door.

LUCY (CONT'D)
Entra la casa.

Ricardo looks around to see if anyone is around.

RICARDO
No sé si es una buena idea.

LUCY
Está bien. No te preocupes.

Ricardo proceeds cautiously in the house.
